

Registered Nurse – Parkinson's service – full time

We are looking for a Registered Nurse to deliver our community-based organisation's services to people living with Parkinson's in the Canterbury region.

This is a unique full-time role which requires you to be an experienced, confident, self starter who also enjoys being part of a small team of professionals.

You will demonstrate clinical assessment and coordination skills, show initiative and be an excellent communicator.

Neurological experience preferred.

You will need a nursing qualification, current Annual Practicing Certificate and current NZ driver's license.

For a job description please contact Robin Furley, Manager on 021 190 0564 or email: robin.furley@ms-pd.org.nz.

Applications close Sunday 30 October.
