

# OCEANS OF HOPE CHALLENGE AUSTRALIA

OVERCOMING CHALLENGES TOGETHER

Come and join us for a life changing sailing adventure in 2023

**Dates: 9<sup>th</sup> to 14<sup>th</sup> September**

Our aim is to help people living with Multiple Sclerosis to gain self-confidence and a renewed sense of empowerment. The camaraderie of sailing a boat with people who have similar experiences creates an environment where people can comfortably share their hopes and fears. The Oceans of Hope experience is a catalyst for creating lasting friendships and a sense of community.

Whether you have sailed before or not, this is an opportunity not to be missed!

We will be sailing into Moreton Bay, Tippler's on South Stradbroke island and the Southport Seaway. Venturing into the more open waters of the northern bay. Possible anchorages at Peel island, Coochiemudlo Island, Tangalooma Wrecks and Bribie Island

South Passage is a Tall Ship fully equipped to make your stay on board as comfortable and safe as possible. There will be a skipper and crew to help you learn and ensure you get everything you want from this experience. You can learn to sail, improve your sailing skills, swim in the warm water, and enjoy the sun and scenery. If you come alone, you will certainly make a host of new life - long friends.

You will be sharing the communal cabin with fellow crew. Everyone will get involved in preparing meals aboard the yacht—there is nothing better than enjoying great food and great company on a yacht under the sun or the stars.

Participants should be able to walk a few steps to access the boat and 6 steps (with rail) up and down into the boat interior.
